6 PROCEDURE

6.01 Individuals should always try to resolve issues informally. If a more formal approach becomes necessary, carry out the steps outlined below:

Step One: First try to resolve the issue directly with the Case Manager. If this does not work....

Step Two: Put your complaint in writing to the Team Leader (supervisor) of The Employment Service Centre. He / she will request submissions from all involved parties, including witnesses; and will conduct an investigation and set up a meeting within 24 hours of receiving written notice. The direct supervisor will provide a written decision to all parties within 48 hours of receiving written notice.
If this does not work....

Step Three: Repeat step two with the ED/CEO. The ED/CEO will investigate and provide a written decision within 48 hours.

Step Four: In the event that the client is refused service based on discretionary decision making (rather than Ministry policy, legislation, eligibility or budget availability) and the client believes the refusal was not justified, the decision will be reviewed by an appointment from the MCSCS board.

6.02 Documentation from step 2 onwards will be maintained in the ICM file.
